Thanks for considering a Sponsorship of the Norfolk Area Prayer Breakfast! Your sponsorship helps us bring in world-class speakers to engage our community. In addition, your Sponsorship includes a table of ten that allows you to invite employees, friends, family, neighbors, and associates to join you for an inspirational morning. Even if you can't fill a table yourself, we will fill it for you as there is always a waiting list of people who would like to attend but can't afford the price of admission.

As a special thank you, Jordan Raynor's newest book, "The Sacredness of Secular Work" will be a gift to everyone who attends the breakfast.
